Case Manager

Description

We are looking direct hire case Manager in the Fargo/Moorhead area for a health care company to start as soon as possible. In this role you will take ownership of a number of new and existing cases. You should have previous experience as a Case Manager owning a large portfolio of cases. You will need a high school diploma, and experience working with clients to develop treatment plans.

Responsibilities

Responsibilities:

- * Managing a portfolio of cases.
- * Meeting with clients on a regular basis.
- * Establishing and maintaining effective relationships with key stakeholders.
- * Proactively managing providers.
- * Working in accordance with relevant legislation, health care best practices, and internal policy and procedure.
- * Accurately updating and maintain cases.
- * Maintaining accurate, up-to-date case information.
- * Helping to manage patient health care needs and services in areas such as long-term care, mental health, substance abuse, and geriatric care.
- * Work with clients to create a treatment plan.
- * Work with each service provider on discharge plan.

Requirements:

- * High school diploma.
- * Experience as a case manager.
- * Experience working with clients to develop a treatment plan.
- * Sound knowledge of legislation relevant to cases.
- * Valid driver license.
- * Background in health care, social work, mental health, disability care, substance abuse recovery, geriatric care, and long-term care.
- * Demonstrated experience within a customer service environment.
- * Excellent communication skills, both written and verbal.
- * Outcome focused with the ability to manage competing demands.
